

REMARKS

The Applicant would like to sincerely thank Examiner, James Harvey for his thorough examining of the above-referenced application. The Applicant has amended the specification and claims to overcome the Examiner's rejections/objections as follows:

A. Specification

Idiomatic English/Substitute Specification

Per the Examiner's concerns about the above-referenced application being replete with idiomatic English and grammatical errors, the Applicant is submitting a complete substitute specification which addresses all issues involving improper English and improper grammar.. The substitute specification contains no new matter claimed in the present invention.

Drawings

Consistent with the Amendment of the specification being submitted and to overcome the Examiner's objection, the Applicant is submitting replacement drawings to overcome the rejection. The replacement sheets are labeled "Replacement Sheet" in the page header pursuant to 37 CFR 1.84 (c).

Claims

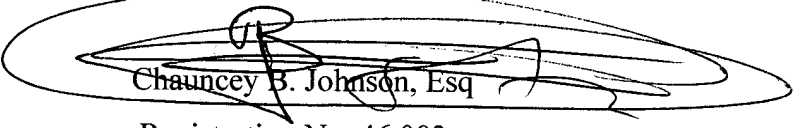

In response to the Examiner's objection of claims 1-13, the Applicant has amended the claims to conform to US standard grammar and terminology by canceling claims 1-13 and adding new claims 14-23.
